

Interactive Displays for Education

BenQ

Experience the BenQ Board Difference

Access to all apps: Easily access your favourite education apps through the Google Play Store, as well as Google and Microsoft apps and tools to enhance your lessons.
Only on RP04, RE04

ClassroomCare® Technology: BenQ Boards have a comprehensive set of ClassroomCare® features designed to protect student and teacher health, including germ-resistant, eye care and air quality solutions.

One-tap login: Save time by logging into any BenQ Board with a simple tap of your NFC card. Access your cloud storage and load personal settings on the BenQ Board easily and securely.
Only on RP04

Better data security: BenQ Boards and their cloud infrastructure offer multiple levels of security to help keep your school's data secure, including multi-factor authentication and true single sign-on.

No subscription fees: All BenQ Boards come with built-in whiteboarding, screen sharing, and IT solutions that are free to use for your teaching and management convenience.

Energy saving features: BenQ Boards have energy-saving features that allow you to significantly reduce costs and decrease your digital carbon footprint.
