

RP6504

Pro Series

EDLA-certified: with the Pro Series, you get easy access to all core Google apps such as Chrome, Docs and YouTube, as well as your favourite apps on the Google Play Store. You can also enjoy compatibility with Microsoft apps and tools such as Word, PowerPoint, Excel, and Teams for a versatile collaboration experience.

Better device security: AMS and DMS, BenQ's free built-in software, provide secure login options, strict access controls, and regular system updates alongside additional protection against app vulnerabilities through Google Play Protect.

ClassroomCare®: the Pro Series offers comprehensive ClassroomCare® protection. The RP04, the first Eyesafe® Certified 2.0 smart board with an RPF®50 rating, prioritises user vision safety. Its air quality sensor and built-in air ioniser ensure purification by monitoring and reducing pollutants. Additionally, TÜV and SIAA germ-resistant technology minimises the spread of germs on screens and peripherals.
